STRUCTURED MUESLI

Supplementary feed for the accompanying feeding of horses with joint problems

- deukavallo Gelenk Fit Plus is a feed supplement for the accompanying feeding of horses with acute joint problems
- Combination of green-lipped mussel and gelatine hydrolysate as well as high doses of biotin and zinc counteracts joint and tendon problems
- Particularly recommended for signs of wear and tear due to age and strain
- The biotin contained ensures strong hooves, intact skin and a shiny coat
