We wish our partners in agriculture and trade

MERRY CHRISTMAS AND A HAPPY NEW YEAR

When peace returns to the fields, the barns glow in warm light and the cities glow in the splendour of the Christmas lights, the year draws to a close. Then it's time to pause, look back with gratitude, but also look forward with confidence...

Together with you - our partners in **agriculture** and **trade** - we have mastered 2025 together. Like a successful **harvest season** that ultimately bears fruit, this year was also characterised by challenges that we overcame together: With **commitment**, **passion** and a firm determination to achieve the best for **animals** and **people** alike.

Now the festive time of the year begins, in which we come to rest, pause and say **thank you** for what we have achieved. We would like to thank you for your **trust**, your **loyalty** and your tireless work for the **benefit of the animals** - the foundations of our partnership.

At the turn of the year, we would like to wish you some reflective days with your family, a happy new year and a healthy, happy and successful 2026. May it open up new opportunities for you, give you valuable encounters and hold many wonderful moments in store.

With best regards

Your deuka Tiernahrung Cremer
