Leading agricultural haulage company with a new website

KÖNIG TRANSPORT WITH NEW WEBSITE

Düsseldorf, 17 September 2024 | König Transportgesellschaft mbH (König for short) has had a new website since the beginning of September. At www.koenig-transporte.com anyone interested in agriculture, compound feed production, logistics and transport can find out everything they need to know about the company. Here you will find information on the company's service portfolio, its values, its history, current certificates, relevant contact details and much more.

"We are delighted to be able to offer our customers and partners in the agricultural sector **a contact point online again** ," says Daniel Stjern, Managing Director of König. "We are already planning to **expand** the site with **additional information** in the coming months - visitors can look forward to it."

Steady growth since takeover by deuka Tiernahrung Cremer

Since 1 January 2022, **deuka Tiernahrung Cremer (deuka)** has been **the sole shareholder** of Spedition König. deuka has thus not only consolidated its **expertise in transport logistics**, but also strategically expanded its logistics capacities in many regions of Germany.

About König Transportgesellschaft

König is a **logistics company based in Könnern** (Saxony-Anhalt). With a fleet of around **50 lorries and a team of 80 employees**. König moves more than 700,000 tonnes of compound feed, raw materials and grain products every year. This makes König one of the most important haulage companies in the agricultural sector.

Now also accessible via mobile phone again: As a web app, the new König website adapts perfectly to the display on all common mobile phones (© Deutsche Tiernahrung Cremer).

About deuka Tiernahrung Cremer

deuka Tiernahrung Cremer is the largest private compound feed producer in Germany. With approx. 2.3 million tonnes per year (2023), the company is one of the leading manufacturers of high-quality compound feed and mineral feed for livestock and pets. Over 800 employees from 20 nations work successfully at 15 locations. The plants are among the most modern and largest of their kind in Germany. The deuka brand is of great importance throughout Germany and is also represented in many neighbouring European countries. The associated brands Club and Nordkraft are firmly established, particularly in southern Germany and Lower Saxony. They all stand for the highest quality in all feeding areas.

deuka Tiernahrung Cremer, based in Düsseldorf, is a company of Peter Cremer Holding GmbH & Co KG, Hamburg. The company can look back on almost 100 years of tradition in compound feed production.

You can find out more about our company, our products, feed concepts and brands at www.deutsche-tiernahrung.de and www.deuka.de.
