# MERRY CHRISTMAS AND A HAPPY NEW YEAR 2024

As 2024 draws to a close, we can look back on twelve months full of **challenges, successes and precious moments**. As a compound feed manufacturer, we are proud to be part of a community that is **passionate and dedicated to animal welfare**.

The Christmas season is a **time for reflection and pause**. It is an opportunity to celebrate the small and large successes of the year and to reflect on what really matters: **Health, happiness and the well-being of our loved ones** - whether human or animal.

During this festive season, we not only want to say thank you, but also express our **appreciation for the hard work and commitment of** our customers. Whether in agriculture, trade or private animal husbandry, your dedication and **love for animals** are **at the heart of our work**.

We wish you **a relaxing and merry Christmas**, filled with joy, peace and prosperity. May the new year 2025 bring you health, happiness and continued success. Let's **start a new year together, full of hope and new opportunities**.

Thank you very much for your trust and loyalty. We look forward to working with you in the coming year to find the **best solutions for your animals** and to breaking new ground.

Merry Christmas and a Happy New Year!

With best regards

Your Deutsche Tiernahrung Cremer
