Indulgence for sensitive four-legged friends thanks to monoprotein recipe

The new caniland four seasons summer snacks are not only delicious, but also support the well-being of your four-legged friend. Thanks to their monoprotein **recipe**, they are a **safe choice for dogs with special dietary requirements**. The summer snacks are also suitable **for dogs with intolerances** or **sensitive digestion**.

Only available for a short time: limited edition

Our new soft snack is only available for a **limited time**. Don't miss the chance to offer your four-legged friend **a special treat**.

The four-seasons series from caniland

After the successful autumn, winter and spring snacks, the summer snacks complete the seasonal indulgence. Each soft snack emphasises the **flavour nuances** that characterise the respective season. So your dog can experience a new flavour every season.
