HERBSTRUCTURE

The herbal and textured muesli for all horses up to an advanced age

- The herbal mixture with parsley, rosemary, coriander and peppermint strengthens the respiratory tract and boosts the body's defences.
- Also ideal for hasty eaters: Contains a high proportion of alfalfa hay. This intensively promotes chewing activity, stimulates salivation and improves digestion.
- Essential oils from the added herbs support the metabolism and immune system.
- Ideal for older horses thanks to its high vitamin and mineral content and digestive components such as linseed and milk thistle oil.
- Recipe without oat grains.

Ingredients

Crude protein	**10,30 %**
Crude fat	**3,50 %**
Crude fibre	**8,40 %**
Crude ash	**8,40 %**
Calcium	**1,30 %**
Phosphorus	**0,40 %**
Sodium	**0,33 %**
Magnesium	**0,15 %**
Lysine	**0,30 %**
Starch	**39,80 %**
Sugar	**3,70 %**

For individual values, there may be slight deviations in content between the supplier plants.

Vitamins

Vitamin A	**20.000.00 I.U./kg**
Vitamin $_{D3}$	**2.000.00 I.U./kg**
Vitamin E	**410.00 mg/kg**

For individual values, there may be slight deviations in content between the supplier plants.

Trace elements

Iron	**60.00 mg/kg**
Iodine	**0.75 mg/kg**
Copper	**15.00 mg/kg**
Manganese	**60.00 mg/kg**
Selenium	**0.34 mg/kg**
Zinc	**95.00 mg/kg**

For individual values, there may be slight deviations in content between the supplier plants.

Feeding recommendation

deukavallo KräuterStruktur is mixed into the existing manger feed as required to support chewing activity. Depending on the objective and existing manger feed quantity, mix in 1-2 handfuls to approx. 500 g per meal for a large horse (ponies half).

As sole manger feed for horses with low energy requirements, in addition to hay (per day)

Maintenance/low labour: 0.15-0.3 kg per 100 kg ideal body weight Mineral feed

For a complete diet, deukavallo KräuterStruktur should always be supplemented with a mineral feed (e.g. deukavallo Mineral).
