STRUCTURED MUESLI

Supplementary feed for horses with a tendency to stress and high performance

- deukavallo Magnesium B-Vit is a feed supplement for horses for the short-term supply of magnesium and B vitamins
- The magnesium fumarate contained is particularly quickly available and ideal for high performance requirements, excitability and nervousness
- Prevents stress and muscle cramps
- Is recommended in exciting situations, e.g. a change of stable
- The extensive vitamin B mix also promotes the development of the intestinal flora after colic, worm infestation or antibiotic treatments
