

ROLLED OATS

Purified black & yellow oat mixture

- deukavallo rolled oats consist of black and yellow oats that have been cleaned and rolled several times.
- The high weight of the oat grains, the good quality of the crop and the cleanliness of the product clearly set deukavallo rolled oats apart. It is simply not a simple crushed oat feed. For the benefit of your horse!
- It is suitable for the targeted enhancement of the daily feed ration for all horses.

Ingredients

For individual values, there may be slight deviations in content between the supplier plants.
