

WINNING MIXTURE I

Seed mixture for short bills and small breeds

- deuka Siegermischung I with 14.5% crude protein is an ideal breeding and rearing feed for pedigree pigeons.
- The small-grain seed mixture without maize is ideally suited for feeding short-billed pigeons and small breeds.
- The balanced recipe ensures the nutrient supply and supports the typical plumage development of the breed.
- The seed mixture consists of single seeds that have been cleaned several times.
