

WINNING MIXTURE II

Seed mixture for medium to large breeds

- deuka Siegermischung II with small-grained maize and small peas is adapted to the special needs of medium to large-framed pigeon breeds.
- Due to the high nutrient density, it is particularly suitable for rearing young birds for mass development in the first weeks of life.
- Optimal development of young and old pigeons during the moulting period.
- All seeds are cleaned several times.
- deuka Siegermischung II is wheat-free.
