

DUCK & GOOSE FEED

Rearing, fattening and maturing fodder

- Club duck and goose feed is suitable for rearing, fattening and maturing waterfowl.
- The starter feed is a high-quality rearing feed for ducks and geese.
- Duck/goose mast feed is ideal for maturing and mast feeding your ducks and geese.
- Both products contain no coccidiostat.

The products of our Club brand are mainly stocked by dealers in southern Germany. They are marked with the Club brand logo in the dealer search.
