SPELT LITTER
Premium litter for poultry

- deuka spelt litter is a premium litter for poultry.
- It convinces with its strong odour binding and extreme absorbency.
- Optimal as litter for the laying nests.
- The special dust removal process used to produce deuka spelt litter makes it the perfect litter for allergy sufferers.
- Our natural product is compostable and easy to dispose of in the organic waste bin.
- For basic bedding, spread 1-2 kg /m2 in the coulter space. Then add more litter as needed. The basic litter quantity should be reduced for chicks and increased for large poultry as required.
