

ENERGY

Performance feed for breeding & fattening

- deukanin energie is the high-performance feed for the special care of your breeding rabbits and rabbits intended for slaughter....
- It is equipped with the Kanivital complex. This improves digestion, strengthens the immune system, sets prebiotic barriers against harmful germs and promotes milk production and milk quality.
- The special, nutrient-concentrated composition of deukanin energie covers the high demands of lactating female heifers of all breeds.
- It is very well suited for the higher nutrient requirements of active breeding rams, for the needs-based supply during the rearing of large breeds and for the rapid weight gain of rabbits for their own slaughter.

Ingredients

Crude protein	17,00 %
Crude fibre	16,00 %
Crude fat	3,10 %
Calcium	0,85 %
Phosphorus	0,60 %

deuka

Vitamins

Vitamin A	10.000.00 I.U./kg
Vitamin D3	1.000.00 I.U./kg
Vitamin E	46.00 mg/kg

For individual values, there may be slight deviations in content between the supplier plants.

Trace elements

contain other trace elements.

For individual values, there may be slight deviations in content between the supplier plants.

Feeding recommendation

Feed amounts in grams per kg body weight and day (as complete feed)*

		deukanin energy
Female	<i>high-bearing</i>	30-45 g
	<i>lactating</i>	full
Male	<i>active</i>	30-45 g
Young rabbits	<i>for breeding</i>	30-40 g
	<i>for fattening</i>	full

*When used as supplementary feed to hay, grass, carrots or similar: reduce the indicated feed quantity up to 50 %.

The recommended feed quantities serve as a guide and are to be adjusted according to the breed's condition and performance. For optimal ration design, regular weight control is important.

Note on breeds:

Small & dwarf breeds: Weight up to approx. 2 kg such as small rams, Leinchinchilla, small pinto etc.

Medium breeds: Weight approx. 3 - 4 kg such as Viennese, New Zealand, Rex, Angora rabbits etc.

Large breeds: Weight approx. 5 - 7 kg such as German Giants, German Rams, Helle Großsilber etc.
