

RODENTMENUE

Muesli for rabbits, guinea pigs and small rodents.

- Club NagerMenue is a premium food for rabbits, guinea pigs and small rodents.
- The gently broken down barley, wheat and maize flakes ideally cover the special energy requirements
-
- The protein and fibre-rich pellets contained in the muesli - in combination with the high content of minerals and vitamins - ensure vital animals
-
- Valuable rapeseed oil promotes a silky, shiny coat - therefore ideal for use as show preparation for rabbit shows.

Ingredients

Crude protein	15,40 %
Crude fibre	12,00 %
Crude fat	4,90 %
Calcium	0,80 %
Phosphorus	

For individual values, there may be slight deviations in content between the supplier plants.

For individual values, there may be slight deviations in content between the supplier plants.

Trace elements

contain other trace elements.

For individual values, there may be slight deviations in content between the supplier plants.

Feeding recommendation

Supplementary feed for targeted ration supplementation.

In addition, roughage of the best quality should be offered. Fresh water must always be available.
